„Codrii" Reserve

MD-3721,
com. Lozova,
Straseni district,
Republic of Moldova

„MOLDSILVA" AGENCY

REZERVAȚIA CODRII

INVITATION

The scientific achievements of the Reserve at 50 years of activity

24 – 25 september 2021

Lozova, Straseni district

DEAR COLLEGUES,

We respectfully invite you to participate in the works of the Jubilee Symposium dedicated to the 50th anniversary of the founding of the "Codrii" Reserve, which will take place on September 24-25, 2021 in a mixed format: online + physical presence (depending on the epidemiological situation about the possibility of physical presence, you will be notified ***14 days before the symposium****).*

THE SYMPOSIUM THEMES:

Conservation of biological diversity - a chance to remedy ecosystems

SECTIONS OF THE SYMPOSIUM

1. Flora and vegetation
2. Fauna and fauna complexes
3. Nature conservation, mycology, pedology

PRESENTATION OF THE WORKS

The papers will be published in the volume of ***„The International Scientific Symposium "Conservation of biological diversity - a chance to remedy ecosystems", dedicated to the 50th anniversary of the founding of the "Codrii" Reserve".***

In order to ensure that the volume is published in a unitary program, all papers, in accordance with the relevant requirements, accompanied by an opinion of a specialist in the field or a recommendation of the Scientific Council of that institution, shall be sent by the attachment through e-mail:

simpozion.codrii@gmail.com

with the subject:

INTERNATIONAL SYMPOSIUM

REQUIREMENTS REGARDING THE PERFORMANCE OF THE WORKS:

The edited text will occupy 1-6 complete pages, A 4 format, 210x297 mm, written in Word for Windows. Font: Times New Roman 10, 1.5 line interval with 10mm lines. Keep free field: left - 25mm, right - 50mm, top 20mm and bottom 80mm.

The title of the publication is typed centered in capital letters, bold. The name and surname of the authors centered: the female authors - the full first name followed by the name, and for the male ones - the initial of the first name, then the name. At one interval the institution is indicated, then at 2 intervals the text follows.

Tables and figures (black and white) are placed directly after the respective reference in the text. The figure shows the order number and the corresponding legend centered below. The tables are numbered and must be accompanied by the title aligned to the right above the table.

The bibliographic list will be located at the end of the paper and presented in a numerical sequence corresponding to the order of the citations in the text. The references in the text will be placed in the appropriate places, in square brackets, indicating the serial number of the work in the bibliographic list and the pages to which the reference is made.

The responsibility for the contents should be assumed by the authors. The theses that do not answer the themes purposes and the editing requirements will be returned back to the authors.

The communication thesis and the registering formulations should be posted to the Scientifical Committee until July, the 1-st 2021.

Languages of communication:
Romanian, Russian and English.
